GEHL® ADDS QUICKWRAP™ ATTACHMENT TO ROUND BALER LINE

(WEST BEND, WISCONSIN) -- Gehl Company, a leading manufacturer of compact construction and agricultural equipment, now offers Quickwrap™ Net Wrap as an attachment option on all Gehl's exclusive Variable Open-Throat Power In-feed System 80 Series "deluxe" and "silage" balers.

The Quickwrap™ Net Wrap attachment provides faster bale wrapping cycles and reduces feed loss due to spoilage.

Features of the Quickwrap™ Net Wrap attachment include:

- Simple and reliable design
- Fast and easy net loading
- Full-width net coverage on the bale
- Net application status displayed on the Tractor Control Monitor
- Ability to switch from net wrap to twine from inside the tractor cab

Gehl Company currently offers five models of Round Balers in standard, deluxe and silage special configurations. The available bale sizes are 4' x 5', 4' x 6', 5' x 5', and 5' x 6'. All models deliver high-speed starts, faster ground speed, increased capacity and easy operation.

For more information on the Quickwrap™ Net Wrap attachment for Gehl Round Balers, see your local dealer, call Gehl Company at (262) 334-9461, or visit www.gehl.com.

Gehl Company (Nasdaq: GEHL) is a leading manufacturer of equipment used worldwide in construction and agricultural markets. Founded in 1859, the company is headquartered in West Bend. Gehl Company information is available on the Gehl® web site (www.gehl.com) or contact Gehl Company, 143 Water Street, West Bend, WI 53095 (telephone: 262-334-9461).
