News Release

NEW PRESIDENT AT GEHL COMPANY

WEST BEND, WI, March 31, 2010 – Gehl Company (“Gehl”) announced today that Daniel L. Miller will succeed Malcolm “Mac” F. Moore as President of Gehl Company effective April 1, 2010.

Mr. Miller joined Gehl Company as Director of Manufacturing Operations in October 2001 and was appointed Vice President, Manufacturing Operations in December 2005. Prior to joining Gehl Company, Mr. Miller held a variety of senior management positions in manufacturing and distribution at Woods Equipment Company, a manufacturer of agricultural, turf and construction equipment. Mr. Miller also served as the President of the Agricultural Products Group for TIC United Corp. in Dallas, Texas.

Commenting on the management transition, Moore said, “We are very pleased to have Dan stepping into the lead management role for Gehl Company. Dan has an excellent background in operations management and a thorough understanding of our products, markets, and the many opportunities that lie ahead in the compact equipment sector. Dan and I have worked very closely over the past 8-1/2 years and I know that I will be leaving Gehl in good hands.”

About Gehl Company

GEHL Company is a manufacturer and distributor of compact equipment used worldwide in construction and agricultural markets. Founded in 1859, the Company is headquartered in West Bend, Wisconsin. In October 2008, GEHL Company became a subsidiary of the MANITOU Group. The Company markets its products under the Gehl® and Mustang® brand names. Mustang product information is available on the Mustang Manufacturing website (www.mustangmfg.com). CE Attachments, Inc. information is available at www.ceattach.com. GEHL Company information is available at www.gehl.com or contact: Gehl Company, One Gehl Way, West Bend, WI 53095 (telephone: 262-334-9461).

About Manitou

MANITOU is a French corporation headquartered in Ancenis, Loire-Atlantique. The Company designs, assembles, and distributes material handling equipment used in construction, agriculture and industrial applications. The MANITOU Group is the leader in rough terrain material handling (masted forklifts and telehandlers) with a distribution network of over 600 independent dealers in 120 countries. Other products include aerial work platforms, truck-mounted forklifts, industrial forklifts and warehousing equipment. MANITOU shares are traded on EURONEXT. More information is available at www.manitou.com or contact communication.financiere@manitou.com.
