

Gehl RT Series Track Loaders

(30 sec.) Radio Script

Take performance to the next level with the RT Series Track Loaders from Gehl. The new RT175 GEN:2 and RT210 GEN:2 take high-capacity power, breakout force and industry-exclusive features like the IdealTrax™ Automatic Track Tensioning System to ensure proper track tensioning upon engine start up and operation. For larger jobs, the RT250 brings extra capacity needed with industry-exclusive innovations. Since entering the track loader market in 2001, Gehl has dedicated itself to the needs of its equipment owners. We have ensured that our track loaders provide the power and features necessary to get the job done. Visit DEALER NAME AND PHONE NUMBER to test drive a Gehl RT Series Track Loader today.
